#BORN2WIN

YOU ARE BORN TO WIN!

## **To the beautiful ladies of All Nations Full Gospel Churches International:**

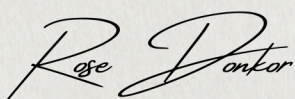

With a heart full of joy and gratitude towards God for your lives, I welcome you to our 2023 WOV Conference. This year's theme of our Conference is "Born to Win," based on 1 John 5:4 "For whatever is born of God overcomes the world. And this is the victory that has overcome the world – our faith". By birth, you have been declared a winner. You have a winning covenant with God the Father; therefore, He has destined you to win.

Many believers have allowed the enemy to underrate them. They do not seem to have an accurate mindset about their standing with God. They never truly experience the power of the greater One that lives within them because they don't wholeheartedly believe that God can deliver them from their challenges. Therefore, their lives are casually lived out, lacking purpose and experiencing feelings of abandonment, hopelessness and emptiness, allowing life to toss them to and fro – but that is not you! Being a winner is not measured by the issues you manage to avoid in life but by remembering who and Who's you are and allowing His Spirit within you to lead you through the storm so that you may come out of it better than you were going in – as a winner!

Christ died a victor, and by being born again, we have signed a contract with Him which guarantees us prosperity, health, strength, hope, joy, and constant victory through Him. No matter how big your mountain is, your victory is certain. You are not meant for failure and defeat but for great exploits in victory.

I declare God will move His mighty hand, and great signs and wonders will manifest in your life. You will leave this conference empowered and as a conqueror. This conference will strengthen your relationship with God and prove that as long you walk faithfully with Him, you will never lose a battle but come out on the other side as a winner. God is more significant than all your life battles combined. He is working His good pleasure in you that you may overcome the troubles of this world.

God has brought us together during this Conference to do a deep work in our lives, to help us discover the power and strength He has deposited within us. Whether attending in person or watching online, I encourage you to focus and fully participate in the Prayers and all the Sessions for maximum benefit. Ladies - may the Lord our God help us discover the winner within every one of us so that we can live our purpose in life and overcome this world as winners.
